

ON-LINE SITE INDUCTION INSTRUCTIONS FOR MCEC

We are committed to providing a safe working environment and working with our stakeholders to strive for best practice in Occupational Health, Safety and Environmental management.

Anyone attending the MCEC site for the purposes of organising or exhibiting within an event or completing work within the MCEC is required to complete inductions 1 and 2.

If you are a Contractor for Brookfield Multiplex you are required to complete inductions 1 and 3.

1. MCEC Serviced Area Induction

This induction can be accessed via the link below:

http://www.elearn.com.au/brookfieldmultiplex_mcec/

username: mcec

password: mcec

You are required to enter your personal details at the completion of the competency assessment in order to be issued with a Certificate of Completion/Site Entry Pass. Please ensure your printer is connected so you can print your certificate. Upon successful completion you will be required to enter your Drivers License number as proof of Identification.

2. MCEC OH&S Site Induction

Please download the form [here](#), complete, sign and return as per MCEC OH&S Site Induction. Or return to Downloads on the MCEC website.

3. Brookfield Multiplex Contractor OHS Induction

You must complete the Brookfield Multiplex OHS Induction if you require a Brookfield Multiplex Work Permit to be issued prior to undertaking works onsite:

http://www.elearn.com.au/brookfieldmultiplex_services/

username: brookfieldmultiplex

password: brookfieldmultiplex

You are required to enter your personal details at the completion of the competency assessment in order to be issued with a Certificate of Completion/Site Entry Pass. Please ensure your printer is connected so you can print your certificate. Upon successful completion you will be required to enter your Drivers License number as proof of Identification.

Thank you for working with us by completing these Inductions.
